such default shall be liable to a fine of not exceeding one hundred thousand rupees and to a further fine of one thousand rupees for every day during which the default continues.

In terms of the Commission's notification SRO 1003 (I)/2015 dated October 15, 2015, the powers to adjudicate cases under section 245 have been delegated to the Director (Corporate Supervision Department).

- I have analyzed the facts of the case, relevant provisions of the Ordinance, and 5. submissions made by the respondents. Before deciding upon on matter, I would like to highlight that the requirement to circulate interim accounts was introduced so that the shareholders could have timely access to information about the affairs of companies. Keeping in view the fact that timing of interim financial statements is of essence the disclosure and audit requirements of these accounts have been kept to a bare minimum. Interim financial statements prepared properly and in a timely manner not only provide to its users a reliable source of information regarding a company's financial position and performance but these also show the results of management's stewardship of resources entrusted to it. In order to ensure transparency, all the companies must meticulously follow the legal requirement for preparing and circulation of interim accounts. In addition to their responsibility of overseeing and managing affairs of the Company, directors also have fiduciary duties towards the Company and its shareholders. They are, therefore, liable to a higher level of accountability which requires them to be vigilant and perform their duties with care and prudence. It is directors' responsibility to oversee the functioning of the company, to keep it appropriately staffed and organized to ensure due compliance of law.
- 6. It is clear that the aforesaid Quarterly Accounts of the Company were not filed by the Company. The attitude of the respondents shows that they are not concerned with following the law which is evident from the fact that they have neither submitted a written reply to the SCN, nor have they appeared in the hearings fixed by the Commission. The aforesaid reflect a total disregard of the applicable legal framework by respondent which is not befitting for directors of a public listed company in their fiduciary capacity as caretakers of the investment of the minority shareholders. Keeping in view of the above I, hereby impose a fine of Rs. 5000 for each quarter on each
